LADIES' SURPRISE PARTY

Mrs. Annie Starling's Friends
Express Appreciation In
Old Way.

Last Monday was the anniversary
of the birthday of Mrs. Annie L.
Starling, 730 North Main street.
In the afternoon different lady
friends began to make their appear-
ance and as they were ushered into
the sitting room it was finally no-
ticed by Mrs. Starling that each
caller had a package in her hands,
but her curiosity was aroused when
two or three came in that brought
with them packages so large that an
explanation was asked for. Mrs.
Starling was told that the Ladies'
Missionary Society had come to help
her celebrate her birthday anniver-
sary. That in recognition of her
faithful service as Secretary of the
Ladies' Missionary Society of their
church for a period of 28 years, they
were going to have an old-time
"storm party." Mrs. Starling's sur-
prise at this unexpected call of her

best friends can be imagined, but
she was equal to the occasion, and
when she saw that a storm was on
she was "in it" as much as any of
them and turned the dining room
over to them to do what they had
been planning for several days, no
doubt remembering the saying that
"woman cannot keep a secret."
Then the last caller arrived, carry-
ing a big boiler of splendid coffee,
the hostess' china closet was invaded,
cups, plates and other china neces-
sary in serving a first-class quick
lunch were brought into requisition
and a storm party feast was indulged
in. Everybody was as happy as the
birds of spring. When the time
came for departing many good wish-
es for happy returns were expressed.
Mrs. Starling replied that she would
be glad to live many, many more
years if she could be as happy as she
was on that day.

WILLIE A. LADD

Passed Away Tuesday Morning
After Long Illness of
Tuberculosis.

Mr. Willie A. Ladd died Tuesday
morning at 8 o'clock at the home of
his brother-in-law, Mr. Walter Faulk-
ner, West 47th street, after an illness
of five months, of tuberculosis of the
bowels. Mr. Ladd had white swell-
ing about twenty-five years ago and
had since been a cripple. Consump-
tion of the bone of his limb de-
veloped last fall and later his
bowels became involved.

The deceased was born in Trigg
county and was 41 years old. For
some years he was a traveling sales-
man for a Louisville house, but had
to quit the road on account of his
health. He was well known and
quite popular with every one.

His father, T. J. Ladd, and two
sisters, Mrs. Faulkner and Mrs. T.
D. McGee, all of this city, and one
brother, John J. Ladd, of Jackson,
Tenn., survive. Mr. Ladd was a
member of the Baptist church. His
funeral services were held at the re-
sidence of Mr. Faulkner yesterday
morning and the body interred in
the family burying ground, three
miles south of Cerulean.

Deafness Cannot Be Cured
by local applications, as they cannot
reach the diseased portion of the ear.
There is only one way to cure deafness,
and that is by constitutional remedies.
Deafness is caused by an inflamed con-
dition of the mucous lining of the Eusta-
chian Tube. When this tube is inflamed,
you have a rumbling sound or im-
perfect hearing, and when it is entirely closed
deafness is the result, and unless the in-
flammation can be taken out and the
tube restored to its normal condition,
hearing will be destroyed forever; nine
cases out of ten are caused by Catarrh,
which is nothing but an inflamed con-
dition of the mucous surfaces.

We will give One Hundred Dollars for any case of
Deafness (caused by catarrh) that cannot be cured by
Hall's Catarrh Cure. Send for circulars free.

You will be glad that you took
our advice; put your surplus dollars
into building lots. A small invest-
